SCHOOL ANNUAL REPORT 2024-2025

A very warm welcome to everybody present. I would like to thank you all for acknowledging our invitation and gracing with this occasion.

With great pleasure I present to you the annual report of **NAV CHETAN CBSE School**. This year has been quite eventful. As we have made great efforts to translate and transform teaching methodology with student centric teaching and learning. In accordance with the guidelines of NEP 2020 national education policy of India, we have started to focus and implement on the practical aspect of education and CCE format. Besides preparing the students for academic goal, special attention, and care is being given to enable them to face the competitive world. Moral values, 21st century, skills life, interpersonal skills, are of great importance in today's world and the students who pass out from our school carry forward the values, excel in anything they do and be role models in the society. This is our dream. Let me give you a brief history of **NAV CHETAN SCHOOL**.

Nav Chetan is being run under the Baba Mihan Singh Charitable Educational Society, Vill-Khara, Tehsil and Distt. Gurdaspur, Punjab. Nav Chetan CBSE school is the dream project of our founder and chairman Mr Brij Bhushan Singh Bedi and establishment of which was in the year 2008. A blooming flower was added to the educational institutions.

Our Vision

NAV CHETAN upholds a vision of holistic development for pupils, providing them with quality education which help them become lifelong learners. Education system developed over the years in NAV CHETAN ensures an education which can help students in all walks of life. The staff at NAV CHETAN strives to imbibe in students, the love and respect of our cultural heritage and raise a responsibility among students towards the society and country. We hold a vision of wholesome upbringing of younger generation by the means of high educational standards, play way techniques, physical and spiritual updating of knowledge and talent. With the vision of founding members, staff at NAV CHETAN ensures to provide each student with not just the basic education but also an ample space and opportunities for them to excel in their fields.

Our Mission

NAV CHETAN SCHOOL was started with a small number of students, but with cooperation, love and affection of the neighbourhood and the need of such an institution in the rural area, number of students have progressed to about 1200. Management and qualified staff is working diligently to achieve its mission of building a generation which is educated in the fields of social, environmental, national and global issues. The institution pursues to achieve its goals both horizontally and parallelly by installing latest technology as well as keeping old teaching techniques alive. Nav Chetan aims to build a strong rooted tree which keeps bearing fruits for the neighbourhood in the times to come.

Co-Curricular Activities

A host of Co curricular activity have been organised during academic year 2024- 25. World Health day, Baisakhi World Heritage day , (heritage quiz) yoga competition, Rakhi making, English poem competition, Poster making, Environment day, Tree plantation, Science quiz, Diya making, Rangoli making, Handwriting competition, Story writing, Card making, World No Tabaco day, Role play, Use of waste material, Teej celebration, Cultural program. National celebrations like Independence Day, Teachers 'day, Hindi day, Gandhi Jayanti, Lal Bahadur Shastri Jayanti, Children's day, Mathematics Day, World Literacy Day, Republic Day, World youth Day.

I would like to proudly state that the Management Committee sponsors the birthdays of teaching and non-teaching staff and weekly tea meetings are held with the motive of encouraging upward and downward communication where in teachers candiscuss Issues of the school and of students freely without any hesitation. This helps in overall development of the school.

Academics

Next academic year 2025-26 there will be hours on 2 days of week were special attention is given to the students by finding out the weak areas of the student and working dedicatedly towards Achieving solutions to their problems. English speaking has been made compulsory in the school. Because of the continuous effort and dedication of staff of Nav Chetan School, Students have been able to participate in various CBSE activities like 75 Azadi Ka Amrit Mahotsav which Encompasses essay writing, poetry writing ,drawing /sketching of unsung warriors.

Seminar/ Webinars /Trainings

It is the firm believe of the school that trainings and webinars give a cutting edge and added advantage to the teaching methodology. The teaching staff of **NAV CHETAN** has attended CBSE webinars and trainings. And the training have helped them immensely .In addition to this many meetings in house orientation programs have been arranged by the director and principal of school. Our teachers have done in house PowerPoint presentations in their respective subjects and topics related to teaching methodologies and academic thereby enhancing their interpersonal and presentation skills and adding effectiveness to classroom teachings.

Sports and Games

The school take pride in stating that the best talent in sports and games is nurtured and given the right platform and exposure. Various outdoor games like Kho Kho, Kabaddi ,langdi , badminton, Running and indoor games like Chess ,Carrom, lemon and spoon and Sack race and other games have been performed at the annual sports meet 2024.

Interactive sessions /micro teachings/ debates for teaching staff

The school has arranged interactive sessions micro teachings and debates twice a month wherein teachers participate in interactive sessions with various current educative and thought provoking topics. There is the enthusiastic participation of teachers in discussions. Such interactive sessions highlight communication skills and usher inefficiency of teachers in classroom teaching .Micro teaching enables teachers to Understand clearly the different effective ways of making a Lesson plan Administering the steps effectively in the classroom teachings it also enhances the confidence in teachers this practice has helped the teachers in constructive ways. Healthy competition, teamwork, leadership skills, assertiveness skills and a positive and healthy upward and downward communication environment is created in the school. To put all the activities at NAV CHETAN SCHOOL in a nutshell I would say that we encourage a child to think, imagine and implement, to analyse, to confront problems and to seek solutions and most importantly to develop the skill of the 21st century needed in future .I would like to conclude by extending our sincere thanks to parents for being supportive in the educational endeavours of their child and we hope for the Same sport all through the coming years.
